EXPERIENCE

Kyrion Technologies Pvt Ltd | Web Development Training Delhi ,India | May 2021 - June 2021
Developed a NotesProvider website using javascript,HTML,CSS.Use for study purposes—the website where users can access notes and give feedback to the admin. Admin and user both side of the functionality provided by me.

SKILLS

Programming Languages:	Java, C, Web Development: JavaScript, HTML/CSS
Libraries/Frameworks:	Servlet/JSP
Databases:	MYSQL

PROJECTS / OPEN-SOURCE

Online Blog Portal | Link *Java, Servlet/JSP, HTML, CSS, BOOTSTRAP*
A blogging portal where user can put up their thoughts about anything and everything. Users can log in using proper authentication. After that they can put their blogs to the public and these blogs are stored in a database so it remains there. User can like the post, searching the particular blog by using title, edit profile details.

Notes Provider | Link *Javascript, HTML/CSS, Node js*
users can easily add edit or delete their notes. The notes the user has added to this website will be stored in the browser's local storage so they won't remove on page refresh or tab close and it is done with pure JavaScript.
